

30th Oct. 2023

To whom it may concern,

First of all we would like to thank you for strong supports for Evervision over the past years. Foreseeing more and more challenges of harsh environment and advanced technologies, Evervision is more or less away from the LCD competition nowadays and future to provide satisfied products to all our esteemed customers.

After the careful consideration Evervision has no alternative but to make the difficult decision of discontinuing the LCD business and manufacturing. Under this circumstance we appreciate you and your team fully understand and pay highly attention to the following schedules for the supports before the LCD manufacturing closure and non-operation.

- 1. Last PO Date from customers: 2023. November. 30**
- 2. Last Shipment Date to customers: 2024. March. 31**

We are deeply sorry for any inconvenience caused to your company and thank you again for you and your team's supports in the past years. Should you have any questions please do contact us. Wishing you all the best.
